RIDEA CYCLING |

November 2021

P/N: **EHBRA1**

For mudguard-less Brompton. Compatible with eazy wheels with fixed length axle.

P/N: **EHBRA2**

For mudguard-less Brompton. Compatible with eazy wheels with adjustable length axle.

Installation

1

Remove the front wheel's skewer.

2

Align the E-hook with the front fork (insert the E-hook's bump into the front fork's mudguard hole). Install again the front wheel's skewer.
